

•1 - Tap the 3 little dots.

•2 - Turn on Share & Invite.

•Might take a while to update.
Images will need to populate the gallery, this can take 20-30 Minutes if imported and large.

•3 - Link Settings - Turn on ALL.

•4 - Make sure **Link Access** is set to **Anyone Can View**.

•5 - Copy the link at the top and submit through Canvas.

•LRM saves images to the Adobe Cloud, iPhone to the Apple Cloud.
You can also save to other cloud options of your choice.

•Keep sharing enabled one week past the semester's end•
